WELCOME FROM THE DEAN

Welcome to the summer 2013 academic term at UMUC. We are delighted to offer this schedule of classes to help you plan and continue your education over the summer.

Although we imagine the summer months filled with vacations and relaxation, it can also be a time to further your education and help you move closer to graduation. The Undergraduate School offers prior learning programs designed to help you maximize the value of your hard-earned experience and competencies and workplace learning opportunities through which you may apply academic theory to the

workplace while earning credit—in addition to the full complement of online and hybrid classes. Talk to an academic advisor for more information about these opportunities to reach your academic goals sooner.

The Undergraduate School is committed to meeting your unique needs as a student. We are constantly reflecting upon what you need to meet your academic and professional goals, from experiential learning opportunities to alliances with community colleges to relevant, current, and dynamic academic programs and courses that reflect the realities of the workplace. We strive to ensure that your education and credentials will serve you in the workplace—and in your community and your life—for years to come. We want you to take advantage of the singular benefits UMUC has to offer. Put your education at the forefront and make summer 2013 a learning experience.

I wish you every success this semester and welcome your suggestions and feedback. Feel free to send comments to deanundergrad@umuc.edu.

Sincerely,

A handwritten signature in black ink that reads "Cynthia Davis". The signature is fluid and cursive.

Cynthia Davis, PhD
Acting Vice Provost and Dean
The Undergraduate School

HYBRID CLASSES HAVE IT ALL

If you need the flexibility of online study but also crave the personal interaction of an on-site class, you can have it all—in one of UMUC's online hybrid classes. With a hybrid class, you attend class half as often—usually just once a week. In between on-site class meetings, you join your class online. This way, you still get to meet your faculty member and fellow students face-to-face, but you can enjoy a freer schedule since you decide when to log on to class. Check Courses by Location for offerings at a site near you.

SUMMER HIGHLIGHTS

DELIVERING THE WRITE MESSAGE

Whether you are a new college student facing the demands of college-level writing for the first time, a returning student getting back into the rigors of academic communication, or an accomplished writer honing the finer points of your craft, consider incorporating the Effective Writing Center into your writing process.

Even the world's best authors work with editors who help focus and improve their writing product. The Effective Writing Center offers this type of constructive feedback from a knowledgeable perspective. Their job is not to judge the content of your written communication; it is to help you develop as a communicator so that your next paper or presentation or letter will be an effective piece of communication and an improvement over what you've done before.

The center helps you think through the writing process, moving from an idea, through research, critical thinking, and organization. Center staff will work with you at every stage of that process to develop a plan of approach for a new assignment, ensure that your outline makes sense before you begin drafting, and act as another set of eyes on your finished draft before you turn it in.

Written work from any course can be submitted to the Effective Writing Center through the learning management system. All you have to do is click on the link titled "Submit to Writing Center" in MyUMUC, complete a submission form, and attach your work. The center will respond within 48 hours, providing you with personalized, targeted advice on how to improve the reviewed work and further develop your writing skills overall. Samples of this advice can be seen on the Effective Writing Center Web page at www.umuc.edu/writingcenter.

An experienced writing center advisor can also provide online consultation through a WebEx meeting for up to an hour. You'll communicate via live video and audio or live chat, getting the same type of feedback that is designed to help you become a better writer. You can also take advantage of the center's WRIT 001 resource classroom in WebTycho, which is loaded with instructional videos, tutorials, and quizzes and monitored by experienced writing center advisors who can answer questions via the WebTycho chat function or through conference postings.

Schedule a consultation or get more information by sending an e-mail to writingcenter@umuc.edu.

EXPERIENCE COUNTS . . . TOWARD COLLEGE CREDIT, TOO

Like many of the adult students working on their bachelor's degree while holding down a full time job, Robert White, a 41-year old manager with the Sherwin-Williams Paint Company, came to UMUC with years of experiential learning—college-level knowledge acquired outside the classroom through his workplace, the community, and volunteer activities. Using the UMUC Prior Learning program, White began turning his experience into college credits that will help shorten the time it takes to earn his degree, at a lower cost than completing classroom courses.

UMUC offers two types of Prior Learning programs designed to translate experiential learning into college credit. Portfolio lets students document and describe their learning experiences in a portfolio that is evaluated by faculty who determine the number of credits to award. Course challenge allows students to complete the equivalent of a final exam to earn credit for UMUC courses without taking the classes.

White, who lives in Catonsville, Maryland, decided to pursue credits through Portfolio because of his busy work life.

"I have been balancing 60+ weekly work hours, a one and one-half hour commute, wife, three children, volunteer work, and children's activities," he said. "The weekly self-paced online Prior Learning class allowed me to work in my available 'time pockets' without having the added pressure of conforming to a strict class schedule."

White, who is working toward a bachelor's degree in business administration with a minor in human resource management, participated in the portfolio development program first in fall 2004, earning 16 credits. Determined to earn the maximum allowed for Prior Learning (30 credits), he then took the class again in fall 2012 and surpassed his goal. His projected graduation date is now May 2015, and his Prior Learning credits certainly get him much closer to his goal.

"The combination of the time and tuition savings makes it an incredibly simple decision," he said, attributing his Prior Learning success to having "learned a tremendous amount at work, from mentors, and corporate training. I used my experience as a sales representative, sales manager, and operations manager currently managing 21 individual business units with over 100 employees. Receiving college-level credit for my life experiences has increased my educational self-esteem."

For more information about UMUC's Prior Learning program, visit umuc.edu/priorlearning.

WHERE TO FIND WHAT YOU NEED

On your path to an undergraduate degree or certificate⁺, you'll find UMUC is with you every step of the way. To find the support you need to succeed throughout your program, refer to the following information.

Your First Stop

MyUMUC Portal

You can keep track of all your records, register for courses, pay your tuition, apply for financial aid, and much more through MyUMUC (<https://my.umuc.edu>). And you can link directly to the learning management system, the UMUC home page, and library services from any page.

Academic Resources

Center for Student Success

To help you boost your potential, the Center for Student Success can help you link up with other students and mentors in your field. See www.umuc.edu/studentssuccess and click on "Tutoring and Writing Support" in the left-hand panel for details.

Library Services

Extensive library resources are available online, 24 hours a day, seven days a week. You can also receive librarian assistance in person, via instant messaging, or by phone at **800-888-UMUC, ext. 2-2020**, during regular office hours or by e-mail at library@umuc.edu or online chat 24 hours a day. Visit www.umuc.edu/library for a complete list of library services.

Tutoring

If you need extra help in one of your subjects, UMUC can provide a list of possible tutors (subject areas are limited). Help is also available in some subjects at College Park and Largo. See www.umuc.edu/ugtutors for more information.

Writing Assistance

You can receive feedback on your writing assignments from expert advisors and use online writing and research resources through the Effective Writing Center. Find out how at www.umuc.edu/writingcenter.

Computing Information and Resources

Computing Facilities

Many UMUC sites provide computing facilities for the use of students. For more information, visit www.umuc.edu/computerlabs. *Note:* There are fees to print; costs vary by site.

Online Study—Technical Requirements and Assistance

Most UMUC students take at least some of their coursework online. If you haven't tried an online course yet, go to www.umuc.edu/411 and register for UMUC 411, which provides an orientation to online study.

If you need technical assistance in accessing your online course, call **800-360-UMUC (8682)** or visit support@umuc.edu.

Innovative Credit Options

Workplace Learning

You can earn upper-level undergraduate credit for new learning in the workplace related to your academic discipline. To find out more, see www.umuc.edu/wkpl or call **800-888-UMUC, ext. 2-2890**. The e-mail address is workplacelearning@umuc.edu.

Prior Learning

UMUC provides two ways for you to earn credit for what you already know—Credit by Examination and Portfolio. Details on each method and an orientation to Portfolio are available at www.umuc.edu/priorlearning. You can also call **800-888-UMUC, ext. 2-2890**. The e-mail address is priorlearning@umuc.edu.

Other Important Information

Class Cancellation

If you're taking classes on-site, you can check to see if your individual site is closed by clicking on "Weather Information" from either the UMUC home page (www.umuc.edu) or the MyUMUC log-in page or by calling **301-985-SNOW**.

Policies

UMUC posts its official policies—from shared governance to transfer credit—online at www.umuc.edu/policies.

Student Advisory Council

As a student, your opinion matters. For information on the Student Advisory Council, see www.umuc.edu/gov/stac.

Student Services

Academic Advising

Your UMUC advisor can help you stay on track during your degree or certificate program and help you get ready for graduation. You can contact your advisor by e-mail, by phone (see contact information on p. 5), or in person at many regional sites

⁺ More information about certificates, including gainful employment disclosures, is available at www.umuc.edu/ugcertificates.

(see list of local service locations on p. 60 or visit www.umuc.edu/locate for detailed information on service sites nationwide). Contact information and links to related areas are available at www.umuc.edu/ugadvising. For information on specific advising concerns, see the following Web pages:

- Transfer Credit
www.umuc.edu/ugtransfercredit
- Degree Requirements
www.umuc.edu/ugrequirements
- Degree Planning Worksheet
www.umuc.edu/worksheets

You should also go to MyUMUC (see p. 4) to access your degree progress report, request a UMUC transcript, or complete an application for diploma.

Career Services

Career planning assistance for job searching, résumé writing, and improving your interview skills, as well as many other resources, is available through Career Services. To access these services and job listings, visit www.umuc.edu/careerservices. The e-mail address is careerservices@umuc.edu.

Accessibility Services

If you need accommodations because of a disability, contact Accessibility Services four to six weeks before classes start by e-mail at accessibilityservices@umuc.edu or by phone at **800-888-UMUC, ext. 2-2287** (or **240-684-2277** TTY). Also visit www.umuc.edu/diversity/dss.cfn for more information.

Exams and Testing Services

If you need to take a placement test for English or math, you'll find information and directions at www.umuc.edu/testing.

Financial Aid and Payment Options

Information about financial aid options and how to apply is available at www.umuc.edu/financialaid. You can also learn more about other payment options, including UMUC's monthly payment plan, employer-provided tuition assistance, and Golden ID

benefits for seniors; go to www.umuc.edu/payoptions. For more information, call **800-888-UMUC**.

Graduation Services

Graduation Services provides support related to the graduation process, including the clearance/review of program requirements and processing of diploma applications. For assistance, contact the office at graduationserv@umuc.edu.

Military Students

UMUC has a long history of serving the military. For information on programs and services specifically related to military students, see military.umuc.edu and military.umuc.edu/scholarships. Army students should also be sure to register via GoArmyEd (www.GoArmyEd.com). The e-mail address for the UMUC Military Advising Team is military@umuc.edu.

PLAN TO SUCCEED

Carefully planning the route to your UMUC degree is the best way to assure that you reach your destination.

1. SCHEDULE

At UMUC, there's a detailed degree planning worksheet for each major that can help you plan your education from initial registration to graduation (see p. 7). Many academic programs have courses that must be taken in sequence, and starting your education with a degree planning worksheet in hand—and periodically checking your progress against it—is a simple way to ensure that you don't waste time or money.

2. MODERATE

College-level coursework is challenging and time-consuming, so be realistic with your course load. Make sure you consider how your responsibilities, such as career and family life, may affect your study time. When you sign up for a class, expect to spend at least twice as many hours working on coursework outside the classroom as you do inside the classroom. And remember that online classes demand as great a time commitment as on-site classes (except for the commute). Special courses such as EXCL 301 Learning Analysis and Planning—which grants credit for experiential learning—can be even more time-consuming. Courses in accelerated formats also require more time per week than those in standard eight-week sessions. For help, talk with an advisor.

3. ANTICIPATE

Whether you are taking your class online or on-site, you can access your syllabus online through the learning management system a week before class begins. The syllabus describes the purpose of the course, how it will be graded, and the due dates for assignments and examinations. Read it thoroughly and check your own schedule for conflicts.

If you foresee a problem with dates for exams or assignments because of your work or family responsibilities, check with your faculty member early in the session. Faculty policies on extensions and makeup work differ, and you should be sure you have a clear understanding with your faculty member.

4. COMMUNICATE

Don't be afraid to ask questions or share your perspective. Faculty members are not only ready and willing to explain assignments or offer suggestions on how to improve your work, but they can also serve as mentors, job references, and networking contacts. Classmates can be a source of academic inspiration and professional support as well. At UMUC, good relationships with both faculty members and classmates can pay big dividends.

If you have a problem with a class or with a faculty member, you can also contact the academic department. Your advisor can help you find the appropriate point of contact or program director.

5. PREPARE

UMUC puts a wealth of superior academic support services at your fingertips—from advising and career planning to extensive library services, tutoring, and writing assistance. The Center for Student Success (www.umuc.edu/studentssuccess) can also help by connecting you to fellow students (through student clubs and honor societies), experts in your field, tutors, and mentors. Check out Where to Find What You Need in this schedule, and don't hesitate to ask for help. Your advisor can always help you find the right source of assistance. At UMUC, we want you to succeed.

6. UPDATE

Go to MyUMUC—<https://my.umuc.edu>—every day to keep up to date with the latest news and information about the Undergraduate School.

STICK TO YOUR PLAN

Taking advantage of UMUC's many services and resources can make it easier to get from registration to graduation.

What courses fulfill the requirements? When is the best time to take them? Putting together a degree plan can seem like putting together a jigsaw puzzle—6 credits of this, 4 credits of that, 30 or more credits of major coursework. But UMUC has replaced the puzzle with simple degree planning worksheets that tell you how and when to fulfill all the degree requirements, from the first course to your last, for each major.

Degree planning worksheets are available for every major at www.umuc.edu/worksheets, and a more general one is available for those who haven't yet decided on a major. If you need help deciding on a major, go to www.umuc.edu/majorchoice for some helpful pointers.

START WITH YOUR ACADEMIC ADVISEMENT REPORT

If you haven't already done so, you should make sure that UMUC receives official transcripts of any other college-level courses you've taken. Once your official transcripts have been received and you have selected a major, your transfer credit will be reviewed in the academic advisement report. Your academic advisor can then show you exactly if your transfer credit relates to the requirements listed in the degree planning worksheet and what requirements still remain.

FOLLOW A CLEAR SEQUENCE

If you're still in the early stages of your college career, you'll find the worksheet helpful in showing you how to build the foundation for further study, starting with basic skills in English composition, math, and library research—the required “first courses”: LIBS 150 Information Literacy and Research Methods, WR TG 101 (or WR TG 101S) Introduction to Writing, and either MATH 106 Finite Mathematics or a higher-numbered math course (depending on your major).

Even if you have already completed all the general education requirements, the worksheets can help ensure that you take your remaining coursework in the right sequence so that you fulfill prerequisites and take basic courses before tackling upper-level courses.

LOOK FOR RECOMMENDATIONS

Recommendations can guide you toward the most appropriate choices in some areas of the degree plan—and the recommended courses are widely available, so you won't have trouble finding them when you're ready to take them.

You do not have to take a recommended course; you may choose from the other allowable alternatives. However, if you vary from the recommended courses or the sequence of courses, it could affect other elements of your degree plan. If you choose a lower-level course where an upper-level one is recommended, you may have to take additional upper-level credit elsewhere to meet the upper-level course minimum. You also have to be aware of how your course choice relates to the rest of your courses (especially required courses),

so you'll need to carefully check the course description to review prerequisites and course equivalencies (the last sentence of most descriptions). Your advisor can clarify the consequences of your choices and help make sure that you fulfill all requirements.

If you're going to complete a minor (which is recommended) or a certificate⁺ along with your major, you should copy the requirements for the minor or certificate from the catalog onto your worksheet. Then check each course off on the worksheet as you complete it.

FIND THE HELP YOU NEED

The degree planning worksheets are an excellent tool, but remember to communicate with your advisor regularly. Your advisor can assist you with course selection and help you understand the requirements for your degree. You can reach an undergraduate advisor at ugadvising@umuc.edu or 800-888-UMUC.

TUITION INFORMATION

One of the key values that drives UMUC is affordability. Not only does UMUC make sure that the tuition rates listed below are competitive, but the university also helps you find ways to afford the cost of your education.

Tuition and Fees

Due at Time of Registration

All tuition and fees are due at the time of registration unless you have

- Applied for financial aid to cover tuition and fees for this session
- Enrolled in UMUC's interest-free monthly payment plan (see www.umuc.edu/payoptions for more information)
- Submitted proof of employer-provided tuition assistance

If You Register

Online via MyUMUC Payment is due with registration or must be submitted by mail the day of registration

By mail, fax, or in person Payment must accompany your registration

Payment is expected by the due date. If you have not made full payment or payment arrangements by the due date, your registration may be canceled.

Mandatory Technology Fee

A technology fee of \$15 per unit of credit is charged at the time of registration to improve the institutional information technology infrastructure and help fund technological advancements and tools to enhance the student experience.

Available Methods of Payment

UMUC offers a variety of payment methods. Payments can be made via

- Credit card (using American Express, Discover, MasterCard, or Visa)
- Money order
- Check (made payable to University of Maryland University College)
- E-check
- Cash (in person at Largo only)

Registration payments—whether made by cash, check, money order, or credit card—are final and may not be replaced by any type of tuition assistance. The tuition and fees listed are those in effect at the time of publication, but are subject to change.

* Active-duty military personnel and their spouses, members of the Selected Reserve and National Guard, and some dependent children of active-duty military personnel are eligible for the military rate. Commissioned corps members of the U.S. Public Health Service and the National Oceanic and Atmospheric Administration and their spouses and some dependent children are also eligible. Some veterans who attended secondary school in Maryland are eligible for the Maryland resident tuition rate. See sections IV.C, D, E and F of the USM residency policy at <http://www.umsa.umd.edu/regents/bylaws/SectionVIII/VIII270.html> for specific details.

♦ Golden ID students are eligible for remission of tuition only. All other fees continue to apply.

† More information about certificates, including gainful employment disclosures, is available at www.umuc.edu/ugcertificates.

Delinquent Accounts

In accordance with UMUC and the Board of Regents, all students who fail to pay charges incurred with UMUC will be transferred to the State Central Collection Unit. Additionally, UMUC has received authorization from the Board of Regents to charge students' delinquent accounts a 17 percent collection fee and/or all attorney and court costs incurred by the university. Once a past due balance with UMUC has been transferred to the State Central Collection Unit, students' information will be forwarded to the credit bureau.

Requests for services (e.g., transcripts, diplomas, commencement arrangements, transfer credit review) may be denied until all debts are paid in full. All undergraduate students are required to pay undergraduate tuition for all undergraduate courses in which they are enrolled.

Tuition and Fee Changes

Tuition rates are subject to the approval of the University System of Maryland (USM) Board of Regents. The rates may be changed, or other charges may be included, as a result of the Board of Regents' decisions.

Notwithstanding any other provision of this or any other university publication, the university reserves the right to make changes in tuition, fees, and other charges anytime that such changes are deemed necessary by the university and the USM Board of Regents.

Change in Residency

If you wish to apply for a change to in-state status, you must file a completed USM Petition for Change in Residency Classification for Admission, Tuition, and Charge Differential, along with all required documentation. You must submit the petition by the deadline listed on p. 3 (earlier is preferable) for the change to be effective for that session. For the full text of the USM residency policy, visit www.usmd.edu/regents/bylaws/SectionVIII/VIII270.html.

Tuition Refund Policy

The official date used to determine a refund of tuition is the date of the drop or withdrawal transaction. Tuition refund policies and deadlines can be found at www.umuc.edu/refundpolicy.

Drops/Withdrawals and Financial Aid

If you are receiving financial aid and drop or withdraw from a class, your financial aid awards may be canceled or reduced, depending on the type of funds you are receiving and when you drop or withdraw. If you are receiving Title IV federal financial aid funds and drop or withdraw from all classes within the first 60 percent of the academic session, your financial aid will be subject to a return of funds calculation, as required by federal law. UMUC is required to return to the federal government any federal financial aid funds that were "unearned" based on the percentage of time you attended class. If you stop attending all classes without officially withdrawing, you will be subject to a return of funds calculation at the end of the session, based on the last documented date of attendance as determined by the faculty.

Financial aid recipients should check with a financial aid advisor before dropping or withdrawing from a course to determine the impact on their award.

To withdraw from a course after the drop grace period, you must follow UMUC's withdrawal procedures, as outlined in the undergraduate catalog or online at www.umuc.edu/withdraw.

For more information on the federal Title IV refund policy, see www.umuc.edu/policies.

Refund for Class Cancellations

The university refunds 100 percent of tuition and technology fees for classes canceled by the university. The application fee is non-refundable, even when a class is canceled.

Tuition refund policies and deadlines can be found at www.umuc.edu/refundpolicy.

COURSES BY DISCIPLINE

In the following section, you will find courses organized alphabetically by discipline. For a general overview of the course content and the prerequisites for each course, go to the online schedule of classes or the undergraduate catalog.

Key to Course Listing

Key to Terms

Online sessions 1–3.....	OL1, OL2, OL3
Eight-week sessions for online classes, with staggered start dates	
On-site session 1.....	US1
An eight-week session that starts at the beginning of the full-term session	
On-site session 2.....	US2
An eight-week session that starts mid-way through the full-term session	
Four-week sessions 1–3.....	S41, S42, S43
Four-week sessions for intensive format classes, with staggered start dates	
Full-term session.....	FTS
The traditional semester of about 15 weeks, primarily for Workplace Learning courses; also used for sessions meeting at times that do not fit the standard eight- or four-week format	

Updates to Course Information

Changes are sometimes made to course offerings after the schedule goes to press. Be sure to go to MyUMUC to check class availability and find out which course materials are required and (if applicable) your classroom building and number.

Duplicate Credit

Avoid duplicating courses you've already taken—it can be costly. In certain cases, particularly in technical subjects, some lower-level junior community college courses may be similar to beginning upper-level UMUC courses.

To protect your investment of educational effort and the value of the degree, UMUC will not award credit for courses that repeat material you have been credited with learning.

If you've earned credit at other colleges, you are responsible for determining whether UMUC courses you plan to take duplicate any credit you earned previously. If you are in doubt, consult a UMUC academic advisor before you register.

Placement Tests

Proctored online placement testing through Accuplacer is required for all admitted students who require lower-level mathematics and writing courses. For more information, go to www.umuc.edu/testing.

If you wish to take a language class and have prior experience with the language, you should take a placement test to determine which level class is appropriate for you. For information on language placement testing, consult the Communication, Arts, and Humanities department or visit www.umuc.edu/language/testing.

Prerequisites

Most courses beyond the introductory level expect that you have acquired basic knowledge in the area before enrolling. These expectations are stated as prerequisites and are listed at the beginning of the course description (available via the online schedule of classes or the undergraduate catalog).

MyUMUC will automatically alert you if you attempt to register for a class for which you have not met the prerequisites. If you have questions (or believe that you have met prerequisites through experience or other coursework), please contact your advisor.

Mandatory Course Evaluations

UMUC requires all students taking online courses to complete a course evaluation. Your responses are kept confidential. The evaluation notice for online courses will appear on the class screen about 21 days before the end of the session. You will have approximately one week to complete the evaluation until access to the Class Menu will be locked. After you complete the evaluation, access to the classroom will resume.

	Class Number	Section Number	Day(s)
			Time
			6:30–9:30 p.m.

Course Delivery Formats

UMUC provides a number of learning options that are designed to offer you the greatest flexibility in planning your academic schedule. **Classroom-based instruction** is offered at convenient times and at a few locations. **Hybrid classes** that combine online study with on-site class meetings are available at most locations. These classes meet about half as often as regular on-site classes, usually once a week. Students in these classes should access their class online as soon as the session begins, regardless of when the first class meeting is held. **Interactive video network (IVN) classes** allow students at different locations to attend the same class session via live television broadcast. **Online classes** use the latest technological advances to enable you to complete course requirements without classroom attendance. Online courses offered for summer 2013 are listed on p. 32.

Locations

In the following pages, course listings are provided by location. Within each location, courses are listed by format (hybrid, IVN/hybrid, or intensive) and session.

Information is also provided on how to find the site and what services are available there.

Military Sites

UMUC classes held at military sites are open to all UMUC students, unless otherwise specified. However, civilian students must complete a civilian waiver and may need to follow other security regulations for site access. See below for details.

CIVILIAN WAIVER

Because of heightened security, civilian students taking UMUC courses or accessing student services on military bases may be required to complete a waiver in accordance with the Family Educational Rights and Privacy Act (FERPA) permitting UMUC to provide personally identifiable information (i.e., Social Security number, address, and telephone number) to the military administration. You may find the FERPA waiver form online at www.umuc.edu/waiver.

SECURITY REGULATIONS

Many military installations require a vehicle entry pass if you do not have a military ID or DoD vehicle decal. Call the individual site to determine if you need a vehicle entry pass for admission to the site.

Virginia Sites

UMUC is certified by the State Council for Higher Education to operate in Virginia. Classes are available at Fort Belvoir, Joint Base Myer-Henderson Hall, Joint Expeditionary Base Little Creek-Fort Story, and UMUC at Quantico. Student services are also available in Virginia on military bases and other locations as needed.

Classes will be offered at the following sites during summer 2013:

Aberdeen Proving Ground
Anacostia-Bolling
Andrews
Arundel Mills
Bethesda
College Park
Dorsey Station
Eastern Shore Higher Education Center
Fort Belvoir

Services Available Nearby

Services are no longer available at Adelphi. Career services, financial aid, and the bursar's office (student accounts) are available at Largo. For information on these and other services (textbooks), see pp. 4–5.

Parking

If you are taking a UMUC course that meets at College Park weekdays after 4 p.m. or anytime on the weekend, you need not register for a UMCP parking permit. During those times, you may park in any unrestricted lot, including Lots 1, 2, 4, 11, and 16. Be sure to pay attention to signs at the entrance to all parking lots for possible restrictions. Some campus events may make parking difficult, so allow enough time to find a space in a permissible location. The schedule of athletic events at UMCP can be found online at www.umterps.com/calendar/events/.

If you are taking a UMUC course that meets weekdays at College Park before 4 p.m., you may acquire a free parking permit for Lot 4 only by presenting a photocopy of your itemized UMUC bill to the Department of Campus Parking at UMCP. Meters are in effect 7 a.m.–10 p.m., Monday–Friday. For more information, call 301-314-PARK.

DORSEY STATION

Information/Directions

From I-95 (points north or south), take Route 100 East. Merge onto U.S. Route 1 South/Washington Boulevard via Exit 6A toward Laurel. Turn left onto Route 103/Dorsey Road. Make another left onto Douglas Legum Drive. Turn right at the stop sign; end at 6865 Deerpath Road. Parking is available at the MARC train station parking area.

The UMUC office is located in room 2101. Call 443-459-3500 for more information.

SERVICE LOCATIONS

You may be able to access services at a site near you—even if the site doesn't offer UMUC classes. In the list below, major centers are indicated in bold. For more information on class locations in the Maryland/national capital area, see. pp. 45–59.

Student services are available at a number of sites across Maryland and the national capital area, including all alliance community colleges in Maryland. Services and availability of personnel at these sites vary widely. At some sites, a representative may be available for only a few short hours a week; at others, a number of services may be available daily. You are advised to call ahead to determine availability of services and schedule an appointment, if necessary.

Contact information for all sites that provide services can be found at right. Directions and information on available services for sites in the Maryland/national capital area are provided online at www.umuc.edu/locate. For general information on services (advising, computing, library services, proctoring, textbooks), see pp. 4–5.

Information on security issues related to military sites is provided on p. 45.

REGISTRATION INFORMATION

Registering at UMUC is easy, no matter which option you choose. If the class you want is already full, you can put your name on a waiting list. And if you think of better choices later, you can always make adjustments to your schedule until class starts.

Registration

Detailed information on the various ways to register (online via MyUMUC, by mail or fax, or on-site) is available online at www.umuc.edu/register.

A form is provided on the following pages for those who prefer to mail or fax their registration. (*Please note:* Online registrations are confirmed immediately; mail and fax registrations require manual processing.)

You may register by fax or mail if

- You have already been admitted to UMUC as an undergraduate and have registered for courses within the last two years.
- You are enrolled in the Graduate School at UMUC.
- You are a new student who meets the UMUC admission criteria and have submitted your Application for Admission (available at <https://my.umuc.edu>) with the \$50 application fee.
- You were previously enrolled at UMUC but have not attended class in more than two years and have submitted your Application for Admission.
- You are transferring from UMUC overseas and have submitted your Divisional Transfer Form via MyUMUC.
- You are an undergraduate student enrolled in another University System of Maryland institution and have included a letter of permission from your major department. (*Please note:* If additional information is required, your registration could be delayed; you may find your registration processed more quickly if you present your letter of permission in person at the UMUC Academic Center at Largo or at a regional site.)
- All of your financial aid awards are enclosed or have already been confirmed.

You may not register by fax or mail if you are a financial aid applicant without an award letter or a GSL disclosure statement—unless your own payment accompanies the registration form.

Instructions

1. Complete the registration form, using black ink and printing legibly.
2. If you are currently enrolled as an undergraduate with another institution in the University System of Maryland, be sure to include a letter of permission from your major department along with the registration form.
3. Compute the amount due for tuition and fees. (Refer to p. 8 of this schedule or see www.umuc.edu/tuition.)
4. Be sure to meet the deadlines listed under Important Dates on p. 3 of this schedule.
5. Either fax your registration to 240-684-2151 or mail it to the Undergraduate Advising, Office of Enrollment Management, University of Maryland University College, 3501 University Boulevard East, Adelphi, MD 20783-8075 USA. Fax registrations require that you already be admitted and that you pay by credit card.

UMUC will mail you a statement of your account.

Schedule Adjustment

After your registration has been processed, you may make changes online. To do so, access MyUMUC (<https://my.umuc.edu>).

Note: Changes in course load may affect financial aid eligibility and VA benefits. Be sure to keep the appropriate office informed of schedule adjustments.

Army Students

To make use of military tuition assistance, Army students must register via www.GoArmyEd.com. For more information, contact your advisor.

The Waiting List

If a class is already full at the time of registration, you have the option of placing your name on a waiting list for the class. For information on how the waiting list works, visit www.umuc.edu/register. To check on class availability and see if new class sections have been added, go to MyUMUC (at <https://my.umuc.edu>).

Withdrawals or Dropped Courses

Official withdrawal from a class must occur before 65 percent of the class has been completed. Specific withdrawal deadlines are provided online at www.umuc.edu/withdrawals. For information on how to withdraw from a class, see www.umuc.edu/register.

Please note: UMUC can honor only withdrawal requests actually received. Failure to withdraw in the required manner will result in the forfeiture of any refund and may result in a failing grade.

Stopping payment on checks for registration fees or not paying at registration does not constitute an official withdrawal or relieve you of your financial obligation to UMUC. Never attending or ceasing to attend classes does not constitute a withdrawal.

If you have not attended UMUC within the past two years, you are required to submit a new Application for Admission.

I understand that I am responsible for and agree to pay all charges I incur at UMUC and that, if I withdraw, I must do so in accordance with the policies and procedures in the *Schedule of Classes* for the session in which I am enrolling. I understand that if my account becomes delinquent, my requests for services (e.g., transcripts, diploma, transfer credit review) will be denied until all debts are paid, and I will be liable for collection costs. I also understand and agree that if I enroll in courses offered at military sites, my name, Social Security number, and other information may be released for security purposes.

POLICY STATEMENT

This publication and its provisions do not constitute, and should not be regarded as, a contract between UMUC and any party or parties. At the time of publication, reasonable effort was made to ensure the factual accuracy of the information. However, this publication is not a complete statement of all policies, procedures, rules, regulations, academic requirements, and tuition and fees applicable to UMUC, its students, or its programs. In addition, changes or additions may be made to the policies, procedures, rules, regulations, and academic requirements set out in this publication. UMUC reserves the right to make these changes and additions to the information in this publication without prior notice. When a curriculum or graduation requirement is changed, it is not made retroactive unless the change is to the student's advantage and can be accommodated within the span of years normally required for graduation.

ANNUAL INFORMATION REPORT

UMUC is committed to assisting all members of the UMUC community in providing for their own safety and security. UMUC provides this Annual Information Report to current and prospective students, faculty, and staff pursuant to U.S. Department of Education regulations. The report is organized into five sections: campus crime and security, notification of rights under FERPA for postsecondary institutions, drug prevention program, campus law enforcement, and peer-to-peer notification. It is available on the Office of Legal and Government Affairs Web page at www.umuc.edu/legal/annualinfo/report.cfm. If you have any questions or if you would like to request a printed copy of the report, please contact Security at 301-985-7371.

NONDISCRIMINATION

UMUC is committed to ensuring that all individuals have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by UMUC and/or University System of Maryland policy or by federal, state, or local authorities, in accordance with UMUC Policy 40.30 Policy and Procedures on Affirmative Action, Equal Opportunity, and Sexual Harassment (www.umuc.edu/policies/adminpolicies/admin04030.cfm). UMUC prohibits discrimination or harassment of any individual due to race, religion, color, creed, gender, marital status, age, national origin, ancestry, political affiliation, mental or physical disability, sexual orientation, or veteran status (including Vietnam-era veterans). All inquiries regarding UMUC's Nondiscrimination Statement or compliance with applicable statutes and regulations should be directed to the director of Diversity Initiatives, Office of the President, UMUC, 3501 University Boulevard East, Adelphi, MD 20783-8000 (phone 301-985-7940 or e-mail diversity-initiatives@umuc.edu).

ACCREDITATION

University of Maryland University College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools, 3624 Market Street, Philadelphia, PA 19104 (267-284-5000), one of the six regional accrediting agencies recognized by the U.S. Department of Education. UMUC is governed by the University System of Maryland Board of Regents and certified by the State Council of Higher Education for Virginia.
